Dear Arkansas educator:

Achieve has announced the first of its ³Exemplar² and ³Exemplar, If Improved² lessons/units for ELA/literacy and mathematics that are aligned to the Common Core State Standards.

Using the Educators Evaluating Quality Instructional Products (EQulP) rubrics, the EQulP Jury has identified 3 Exemplars and 1 Exemplar, If Improved lessons/units for educators to adapt and use in their own classrooms.

The materials are posted on the EQulP section of Achieve's website along with the quality review feedback on these materials from the EQulP Jury.

Go to <http://www.achieve.org/EQulP>, and then click on the tab ³EQulP Exemplars.²

The three Exemplars are listed below. In addition, The Wolf You Feed, grade 6, is also available as an Exemplar, If Improved. Expect more lessons/units that receive either an ³Exemplar² or ³Exemplar, If Improved² rating to

- (1) The Fisherman and His Wife, grade 3, ELA/Literacy
- (2) Researching to Deepen Understanding, grades 9-10, ELA/Literacy
- (3) Sums and Differences to 20, grade 2, mathematics

Please share this information with others that might be interested! Thank you for serving the students of Arkansas!
